NOTES:/ПРИМЕЧАНИЯ:

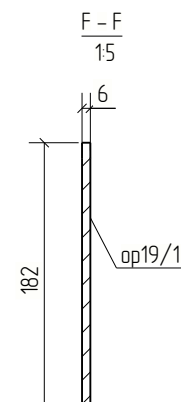

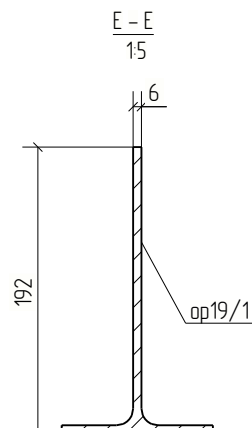

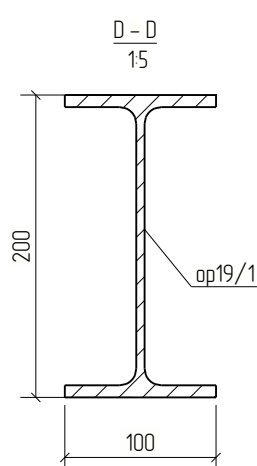

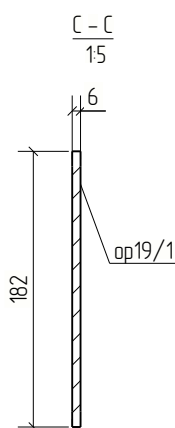

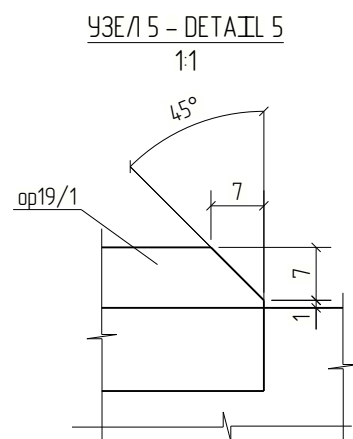

1. For fabrication tolerance ref. "3000-VLST-000000-CS-MAN-00618-00".
2. For details on weld Types refer to Document "3000-VLST-000000-CW-PRO-00617-00".
3. For identifications to be applied ref. "3000-VLST-000000-CS-PRO-00615-00".
4. Requirements for CSP/PFP will be provided additionally.
5. All dimensions are in millimeters UNO.
6. Dimensions of the parts are specified excluding a gap for shop welds.
7. The chamfer of the edges of temporary rat holes is not shown conditionally but it is mandatory in accordance with the procedure "3000-D-EC-200-CS-STN-0009-01" with paragraph 2.13 and sketch number 1.
